GUIDELINES

BeGentle Take off Your BeChristensen Jewellery whilst exercising, sleeping, swimming and bathing

BeAware Avoid direct contact with water and chemical products like perfume and hairspray

BeSafe Do not leave leather exposed to sunlight as leather will dry out and fade

BeClean Gold and Silver products can be cleaned with a soft cloth

Samer® bracelets in metallic leather colors are especially vulnerable to general wear and tear due to the additional processes when treating the leather.

Plated items are especially vulnerable to general wear and tear and plated surfaces will be worn depending on usage and skin type.

BeChristensen distinguishes between **Production Errors, Damages, and General Wear and Tear.**

Examples of **Production Errors:**

A stone has fallen out without the product showing any other damage, or a clasp of a bracelet is broken.

The warranty covers production errors

We replace or repair the product

Examples of **Damages:**

A glass of a watch is broken due to impacting on a hard surface, a broken necklace due to straining, a pewter wire is torn by being stuck, or other similar self-inflicted injuries.

The warranty does not cover damages caused by wrongful treatment of the product or other self-inflicted damages.

Examples of **General Wear and Tear:**

The metal is scratched, the plated or oxidized surface is worn or partially worn off, or the leather deteriorates and falls apart.

The warranty does not cover general wear and tear.

If You experience problems with Your BeChristensen product please hand it to Your retailer of purchase, together with Your original purchase receipt.

Any inquiries can be made to
info@bechristensen.com
